Comment From this well established, 2.4 hectare vineyard in the Brancott Valley comes our inaugural 2015 Fromm Pinot Noir Quarters Vineyard. Choosing to bottle only 300 bottles this Pinot is an exciting and rare addition to our single vineyard range. As with its single vineyard stablemates it expresses the unique site from which it was grown. The vineyard's clay and silt loam soil gives us a generous, bright, darker fruit style of Marlborough Pinot Noir.

Opening with bright dark red fruits (cherries, raspberries) and lifting spice the aromas then reveal graphite-like minerality and well-integrated yet understated oak savouriness. On the palate the wine shows good fruit weight and depth - there's balanced acidity too which is complemented by ripe, layered tannins that result in a harmonious and silky mouthfeel. This wine shows subtle intensity, fine texture and elegance.

Short description Red berry fruit nuances with aromatic spice and brambly earthiness. The palate is concentrated, layered and textural with silky tannins and a long finish (May 2017).
