**Comment** This single vineyard wine from the clay influenced soils in the Brancott Valley has a deeply pitched and attractive nose with ripe dark red and blue fruits, spiced nuances and a warm earthy undertone. The palate is textured and well-structured with good fruit weight, velvety tannins and balanced acidity. There are pure flavours and generosity at play here leading into a long elegant finish.

**Short description** Red and blue berry fruit nuances with aromatic spice and brambly earthiness. The palate is concentrated, layered and textural with silky tannins and a long finish (January 2018).
