Cellaring potential 2025
Winemaker Hätsch Kalberer

Wine analysis Alcohol 13.5%
Total acidity 5.1 g/l
pH 3.68
Residual sugar Less than 1 g/l

Comment

We've been working the Quarters vineyard for well over two decades and noticed a significant development of fruit quality and complexity as the vines have matured. This 2017 single vineyard Pinot Noir shows distinct terroir driven qualities that sets this wine apart from our Fromm, Clayvin and Churton Vineyard Pinots.

Showing ripe, dark red fruit verging on blue, the nose unravels into aromatic floral nuances & a seductive graphite minerality with the faintest hint of oak spice adding to the bouquet. The palate has lovely fruit weight, layered over broad yet silken tannins. The acidity is balanced, and the wine's complex structure will confidently carry it through many a year. (December 2018).
