Winemaker	Hätsch Kalberer	
Wine analysis	Alcohol	7.5 %
	Total acidity	9.0 g/l
	pH	2.79
	Residual sugar	180 g/l

Comment A sweet wine with precision. This Riesling is a nod to our past, representing our 1st Beerenauslese since 2004. The 2018 vintage gifted us this style of wine, with a wonderful growing season followed by rain during vintage. Our late harvested fruit was shrivelled, but clean – slow and meticulous hand picking ensured the fruit that came into the winery was void of any rot which was cut to the ground in the vineyard.

This wine opens with rich, expressive fruit characters (apricots, mango pit and citrus) proceeded with a good licking of minerality. The palate is sweet and unctuous without being, at all, cloying or heavy. A cleansing acidity drives the palate and augments the wine's vibrancy.

Short description Rich, ripe fruit with a lifting mineral backbone. Sweet and lush on the palate with cleansing acidity that ensures the wine is not sticky or cloying. (September 2018)
