Comment	A light-hearted summer wine exhibiting refreshing red berry flavours with hints of herbal notes. Bone-dry, yet with an appealing textural elegance. Lifted by some naturally retained CO ₂ , this is a great outdoor wine to be enjoyed with light meals or on its own.
Short description	Cabernet/Merlot based Rosé with light, fresh red berry flavours. A great summer lunch wine, dry and elegant with a firm long finish. (December 2005)
