Bottled July 2018
Cellaring potential 2020
Winemaker Hätsch Kalberer

Wine analysis Alcohol 13.5 %
Total acidity 5.6 g/l
pH 3.31
Residual sugar Less than 1g/l

Comment Showing a gentle blush of colour, this Rose is both charming and pretty, yet still offers great structure and drive. With initial hints of watermelon and pink rosebud florals the nose then opens to reveal wild strawberries and cream. The palate is crisp and vibrant with delicate red fruits, an elegant dry palate and juicy fruit acidity that leaves the month revived and thirsty for more. A versatile food matcher! Certified organic.

Short description An elegant dry Rosé, delicately flavoured, good harmony of structure and refinement, fresh, bright and linear. (August 2018)
