Comment This ripe Sauvignon Blanc opens with bright citrus fruit (lime and Meyer lemon) followed by a licking of clean flintstone minerality. The palate shows lovely texture with good fruit weight, rounded acidity, a refreshing phenolic bite and precise focus. Certified organic, hand-picked, whole bunch pressed and fermented to bone dry.

Short description Ripe citrus, all complimented by flinty minerality and balanced acidity. A complex and textural wine with great purity and focus. (September 2018)
