Cellaring potential	2019	
Winemaker	Hätsch Kalberer	
Wine analysis	Alcohol	12.5%
	Total acidity	5.5 g/l
	pH	3.22
	Residual sugar	63.0 g/l

Comment With our Gewürztraminer vines now notching up two decades since they were originally planted, we are realizing more complex aroma and flavour profiles in the finished wine. Initially offering nuances of exotic fruit (lychee, star fruit, candied ginger and apricot pith) the aromas then take a savory turn showing hints of toasted almonds and flintstone minerality. There is vibrant, ripe fruit on the palate and a kick of lush sweetness (without being cloying) that combines with mouth-watering phenolics in providing structure and focus.

Short description Late Harvest Gewürztraminer. Complex, rich and flavoursome with a persistent intense finish. November 2015
