Winemaker	Hätsch Kalberer	
Wine analysis	Alcohol	14.0%
	Total acidity	5.2 g/l
	pH	3.44
	Residual sugar	less than 1 g/l

Comment

This is a fine example of a top quality New Zealand Pinot Noir. A rich, dark and quite concentrated wine with strong aromatic fruit flavours and a distinct wood related spiciness. The wine is very attractive now, somewhat obvious and positively youthful. However, given time in the cellar it will mature into a complex, finely textured wine with subtle secondary characters and full integration of flavours.

Short description

Attractive young Pinot Noir with great aging potential. At present rich, dark and concentrated with strong fruit aromas and spicy wood.
(October 2002)
