	Total acidity	4.6 g/l
	pH	3.68
	Residual sugar	less than 1 g/l

Comment Radiant, bright cherry colour, leading to vibrant red and dark fruit aromas of refined density and elegance. The palate shows the classic Southern Valley's spicy cherry flavours with distinct Clayvin mocha notes and deliciously fine tannins, all adding to a complex and silky textured wine that maintains clarity and purity of ripe Pinot fruit. The wine has great balance and plenty of substance for aging, but is approachable now.

Short description Red cherry and dark fruit aroma, dense, silky texture and fine tannins. A wine of great balance, purity and substance. (June 2011)
