Comment

This is a truly single vineyard wine, made from the entire Pinot Noir crop of our own "Fromm Vineyard". 1997 was a cool year with low yields due to difficult flowering conditions. Harvest was later than average. Cropped at about 30 hl/ha, this Pinot Noir has real concentration without losing finesse and elegance. Very fine, firm tannins and excellent structure. A wine with a vision reflecting its "terroir" as much as the underlying strength of this noble variety.

Short description
