Comment	<p>The most intellectual Pinot Noir within the Fromm Range with a distinct “Old World” dimension. Powerful aromas of ripe cherries, redcurrants & plums backed by black rose florals. This leads to a lovely clove spiciness and clean earthy minerals combining for a terroir driven richness. An integral component of this wine is its fine and layered tannins providing great weight and structure. A focussed and persistent Pinot Noir</p>
Short description	<p>Dense cherry and plum aromas, hint of earthiness, concentrated silky texture, fine tannins, long and generous finish (May 2012)</p>
