Comment	In 1997 we were for the first time able to fully barrel mature our standard Pinot Noir. This is pure, young Pinot Noir, complex and balanced with lively fruit and subtle wood integration. While being attractive now, this wine will benefit from 2 to 3 years cellaring to allow the secondary flavours to develop. 92% of the grapes come from the Clayvin Vineyard.
Short description	Pure, young Pinot Noir, lively fruit, subtle wood integration, good tannin support. A fine structured, complex wine. (November 1998)
