Comment

Made predominantly from young Pinot Noir grapes grown at the Clayvin Vineyard. The wine is still quite closed, showing good structure and fruit concentration with noticeable tannin support. It will require another 6 to 12 months cellaring to fully reveal its complex style and hidden nuances. A fine follow-on from the 1997 vintage, again barrel matured for approximately 14 months, egg-white fined and bottled without filtration.

Short description

A complex Pinot Noir with fine fruit concentration, good structure and tannin support. (December 1999)
