Comment In cooler years like the summer of 1999/2000, the Pinot Noir usually benefits the most. From the vintage 2000 we are particularly happy with the La Strada Pinot Noir. It is a blend of fruit from different vineyards in the Brancott Valley and provides the richness and generosity of a top Pinot Noir with immediate appeal yet with enough substance to cellar well for a few more years.

Short description Deep, brilliant red, full rich nose, lush and generous fruit with considerable depth. (November 2001)
