	Total acidity	8.6 g/l
	pH	2.78
	Residual sugar	85 g/l

Comment

This is our third attempt at producing a low alcohol style Riesling Auslese. It is almost as refreshing as the variety itself to realise that part of our increasing knowledge on Riesling is that we still know very little. Given that, the improvements we made, partly by accident, working with a new and quite different vineyard are very encouraging. Our 2000 Auslese is the most elegantly structured and refreshing sweet Riesling we have made. As for specific tasting notes, just enjoy the nice day on which this wine is best drunk.

Short description

Delicious low-alcohol Riesling, sweet, light and delicate with a mouth-watering, drying finish.
(December 2000)
