

## Fromm . Riesling Dry 2008

---

Grape variety	100% Riesling
Bottled	November 2008
Cellaring potential	2013
Winemaker	Hätsch Kalberer & William Hoare

Wine analysis	Alcohol	11.5%
	Total acidity	7.3 g/l
	pH	2.87
	Residual sugar	10 g/l

Comment	Pale yellow/lime colour; pure dry Riesling flavours on the nose with citrus, lemongrass and green apple notes. A crisp and elegant Riesling that has just enough residual sweetness to balance the natural acidity of the vintage. Clean, refreshing with a dry finish. Delicious as an aperitif or with a light entrée.
