Comment A serious Rosé, purposefully made and continuing Fromm's approach of deliberately growing grapes for Rosé in the vineyard. This 2010 wine comprises mainly Pinot Noir but with judicious support from Syrah and Malbec. It is dry and delicately flavoured, displaying good harmony of structure and elegance and finishes with a persistent fresh, bright lift.

Short description Dry Rosé, delicately flavoured, good harmony of structure and elegance, fresh and bright, persistent finish. (September 2010)
