	Total acidity	8.0 g/l
	pH	3.10
	Residual sugar	< 1 g/l

Comment

Far from being a sensory overload this Sauvignon Blanc offers restrained charm. The nose is bright and vibrant with hints of preserved lemons, limes and encapsulating flintstone minerality. The palate confirms the bright ripe fruit suggested on the nose and is refreshingly dry with persistent yet 'soft around the edges' acidity. Textural and pure, every sip leaves the mouth cleansed rather than feeling assaulted by sugar and cheek sucking acid.

Short description

Generous ripe fruit with flinty minerality. Subtle complexity and texture, great purity, harmonious crisp finish (September 2014)
