	Total acidity	5.6 g/l
	pH	3.67
	Residual sugar	less than 1 g/l

Comment

1999 seems to be a vintage for delicious wines, early approachable with medium cellaring potential. Our Syrah Reserve is no exception. It is very much a Fromm Syrah, very Rhône-like but softer than previous vintages. It still has lots of peppery characters, firm and ripe tannins and most importantly its unique cool climate intensity.

Short description

Delicious medium-weight Syrah, classic white pepper aromas. Flavourful and very expressive, ripe tannin finish. (December 2000)
