**Comment**

Dense violet/purple colour. The bouquet is distinctly floral with white pepper, spice and herbal notes; very youthful and vibrant. The palate again shows young, lively fruit, ripe and juicy with a beautifully soft yet positively rustic, unpolished texture. Despite its weight and concentration the wine flows light and seamless through the palate. A delicious, generous Syrah, charming and immediately approachable. However to reach full maturity and harmony we recommend 1 – 2 years of cellaring. Due to frost damage there is no Viognier in the 2003 Syrah Reserve.

**Short description**

Distinct floral/white pepper bouquet, some herbal notes and spice. Vibrant and youthful fruit, good concentration and weight with a soft, charming “down to earth” texture. (February 2005)
