Comment	<p>Difficult conditions during the flowering of our Fromm Vineyard Syrah resulted in an uneven fruit set, hence we chose to hand-destem about two thirds of the production. As a result 2007 has emerged as a fine, well balanced vintage for our Syrah. It shows spicy, aromatic flavours, vibrancy and a lifted floral dimension coming from a small portion of co-fermented Viognier and of course, the whole berry component during fermentation.</p> <p>Subtle and restrained at present, this youthful Syrah has all the ingredients to mature into a refined multi-layered wine while maintaining the cool-climate finesse and elegance.</p>
