---

Grape variety	97% Syrah 3% Viognier	
Bottled	March 2012	
Cellaring potential	2018	
Winemaker	Hätsch Kalberer & William Hoare	
Wine analysis	Alcohol	14%
	Total acidity	5.4 g/l
	pH	3.69
	Residual sugar	less than 1 g/l

Comment	Deep crimson in colour. This Syrah shows dense but bright blue fruit with lifted sweet aromatics of juniper berries and five spice, all combining with florals of dark violets. The palate is concentrated and mouth filling but retains an elegant, easy drinking quality thanks to balancing acidity. Ample flavour and fine, well layered tannin support provide for lovely length. An expressive young Syrah, drinking well now but will happily develop for another 2-3 years.
