| | Residual sugar | less than 1 g/l |

| | |
|---------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| Comment | Expressive blue fruit with lifted aromatics, dark violet florals and Asian spices of black pepper, cinnamon and nutmeg. The palate is full and supported by ample ripe fruit to manage its structure and good acid drive. A vibrant Syrah that stays true to the variety rather than leaning on excessive new oak. Young when tasted this wine promises a bright future as the tannins integrate further. |
