

PRINTABLE RING SIZER

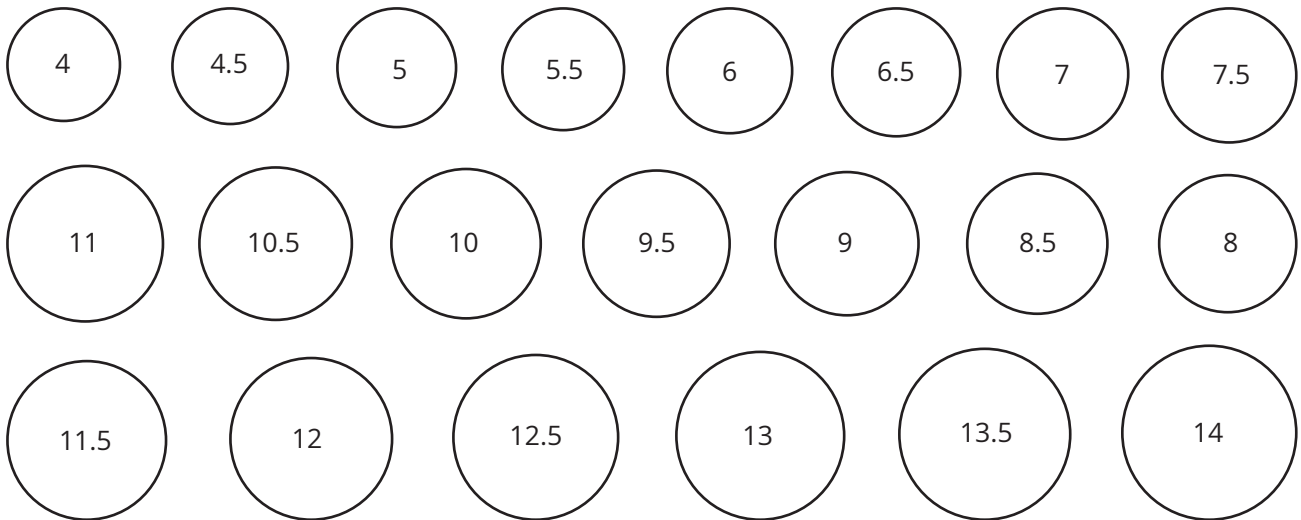

Please ensure that PDF is printed at 100%

1 PAPER TEST

1. Print and carefully cut out the paper ring sizer shown above.
2. Cut along the line marked "find your size" to make a slit.
3. Slip the pointed end through the slit and place around your finger.
4. Pull the pointed end so it slides to a comfortable, snug fit.
5. Read the number pointed to by the arrow next to "find your size".

2 RING MATCH TEST

1. Print the chart of ring size circles.
2. Using an existing ring, align it with one of the circles above. Simply place the ring with the inside edge fitting against the matching circle.

3 STRING TEST

1. Cut a small piece of string, thread, or ribbon.
2. Wrap it snugly around your finger and mark or cut where the ends meet.
3. Line the string up on the PAPER TEST chart above, starting at the line marked "find your size".
