TEND SECURE

## LYNX INDOOR 2

## ALL NEW VIDEO SECURITY WITH FACIAL RECOGNITION TECHNOLOGY

The Tend Secure Lynx® Indoor 2 provides easy to use home security for you and your family. With quick and easy Bluetooth setup, your camera is up and running within minutes. Features like intelligent facial recognition allow you to choose who your camera recognizes, and you will receive check-in notifications when these familiar faces arrive at your home.

Stronger network connectivity ensures a fully robust security solution, providing features like live HD video, night vision, two-way audio and more. With free 7-day cloud storage, you can review any motion-triggered event in the home, or increase your recording capabilities and purchase subscription coverage with 30-days of cloud storage. Lynx Indoor 2 is an advanced way to gain peace of mind and stay connected to what matters most.
