STUART CAM HD WIFI Camera

01. DOWNLOAD THE TEND APP
To get started, download the Tend app from the Apple App Store or the Google Play Store.

02. POWER YOUR CAMERA
Connect the Stuart Cam to the AC power adapter and plug the power cord into the electrical outlet.

03. CAMERA SETUP MODE
Once plugged in, flip the switch on the back of the camera to the "Setup" position. The top LED light will be green, while the middle LED light will flash green. This may take up to two minutes when the camera is first powered on.

04. CONNECT YOUR SMARTPHONE OR TABLET TO THE STUART CAM
Enable WiFi on your smartphone or tablet, as well as your personal WiFi home network. Open the WiFi Settings on your smartphone or tablet, and connect to the network StuartCamXXXX (last four digits of the camera's MAC ID, as seen on the back of the camera). Make sure that you see the WiFi symbol after connecting to the video monitor.

05. LAUNCH TEND APP
Once your smartphone or tablet establishes connection the Stuart Cam (which can take up to 30 seconds), launch the Tend app.
LIMITED ONE YEAR MANUFACTURER’S WARRANTY

Trend Micro, Inc. dba Trend ("Trend") will repair or replace (at our discretion) your computer unit, free of charge (except for shipping costs) for 12 months from the date of purchase. If a unit is determined to be defective, the customer should return the defective unit to the original place of purchase, whether that place is a Trend authorized warranty service provider. If the original vendor’s return/repair policy has expired and this unit is still within the limited manufacturer’s warranty, contact us at (732) 732-8512 or email us at support@trendmicro.com and request a RMA number. We will be responsible for shipping replacement computer. In the absence of a purchase receipt, the warranty period will be 12 months from the date the computer was manufactured.

In no event shall Trend be liable for any special, incidental, or consequential damages for breach of this or any other warranty, expressed or implied, whatsoever.

U.S. REPRODUCTIVE NOTICES

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) this device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC Caution: Any changes or modifications not expressly approved by the party responsible for compliance could void the user’s authority to operate this equipment.

This product is supplied to you with the understanding that it must be installed and used in conjunction with the associated device. The associated device may cause interference that could damage the product.

We are not responsible for any interference caused by unauthorized modifications to this product. It is the responsibility of the owner to ensure that no interference is caused.
