

# OUR COMMITMENT

## GIVING BACK TO THE LAND THAT INSPIRES US

As part of our Giving Back initiative, CAPE ISLAND has committed to supporting a selection of non-profit organisations with the hope of spreading a little more light in the world. Each of five fragrances supports a charity that speaks to its unique tribute. For each new fragrance that we create, a local African charity will benefit. These beneficiaries will receive regular monetary donations based on sales of our hugely popular 250ml classic scented candles.
