PROTECT YOUR GEAR
WITH THE TOUGHEST, MOST SECURE,
Truck Bed Cover.
BE READY FOR THE NEXT ADVENTURE.

Whether it’s a vacation trip to the beach with the family or a hunting trip across the country with the buddies, you can feel confident with a DiamondBack. Because we all want a cover we can trust in any situation. Trust that our gear will stay dry and secure and that the cover will last a lifetime. Trust that we’ll be ready for anything.

PEACE OF MIND
A secure truck bed so you don’t have to worry.

BUY WITH CONFIDENCE
The last bed cover you’ll buy for your truck.

LIFETIME WARRANTY
The best warranty of any hard truck bed cover.
Dry Gear / No Matter What the Weatherman Says.

A thick neoprene compression gasket runs along the perimeter of the cover to create a barrier to water, snow, or ice, keeping your cargo dry.

- Neoprene perimeter gasket
- Gutter-protected hinge points
- Side-facing key cylinders
- Stainless exterior hardware
WE BUILT EVERYTHING AROUND SECURITY.

Rugged, die-cast zinc lock handles on the access panels of a DiamondBack keep your gear secure by actuating 3/8" deadbolt-style rods directly under the bed rails of your truck.

- Deadbolt-style lock system
- Die-cast zinc lock handles
- 2 key locks
- Tight and secure fit
DIAMONDBACK HD

A workhorse so you don’t have to be.

For all of those that want a truck bed cover for work or play, the DiamondBack HD is the top-of-the-line heavy duty cover that helps you do more with your truck. Perfect for truck-owning avid sportsmen, outdoor enthusiasts, and weekend project warriors.

- Heavy duty diamond texture.
- Structural support.

*Available in select models.*
DIAMONDBACKSE

The new standard in hard truck bed covers.

A durable, versatile, locking truck bed cover that's perfect for the truck owner that likes to use their truck like a truck. The DiamondBack SE is designed for people who want convenience. Now you can haul the unexpected, while keeping those everyday items in your bed.

- Haul Capacity: 400lbs
- Cleats Installed: 4
- Max Panel Weight: 35lbs
- Finish Options: Rugged Black, Aluminum

ALWAYS READY TO EXPLORE.

Made from aluminum diamond plate, the DiamondBack SE truck bed cover won't crack like fiberglass or wear out like vinyl. With a 400 lb. hauling capacity, you can conquer the outdoors in new ways while keeping your gear dry and secure in the bed of your truck.

- Haul up to 400 lbs. on top
- 4 anchor cleats pre-installed
- Heavy duty diamond plate aluminum
- Structural support members
Three large access ports方便地存放在卡车。您也可以选择额外的储物箱，以进一步优化储物。
STILL PLAYING HIDE AND SEEK WITH YOUR GEAR? **GAME OVER.**

Three large access panels make for easy access to all your cargo all the way around your truck. You paid for your whole bed, so you should be able to access it all too. Optional storage bins underneath the gull-wing doors keep you and your things organized.

- Gull-wing access panels up front
- Unique three-hatch design
- Optional storage bins

**DIAMONDBACK 270**

**Toolbox up front. Truck cover in the back.**

The DiamondBack 270 offers a combination of versatility, security, and easy access that's second to none. It's part toolbox and part truck bed cover. Getting into your truck bed will never be the same, because now you can have all the access you've ever wanted.

FINALLY REACH INTO YOUR ENTIRE BED.

With butterfly doors that run the length of your truck bed, you now have complete open access to your entire bed from both sides of your truck. Optional storage bins underneath the access panels keep you and your things organized.

- Two near full-length, side opening panels
- Butterfly-style design
- Optional storage bins

DIAMONDBACK 180

Moves like a butterfly. Works like a bee.

With two near full-length, side-opening panels, you now have complete open access to your entire bed from both sides of the DiamondBack 180. This means you can work and play directly out of your truck without having to crawl into the bed to reach stuff.

With the DiamondBack ATV Carrier you can say goodbye to the added expense of buying a trailer and keeping it registered, maintained, and stored.

FREE UP YOUR HITCH.
Forget about having to make those hard decisions on what to take. Whether that be more ATVs, a boat, or a camper now you can haul it all with one truck.
DIAMONDBACK SXS

A new way to haul your side-by-side.

Never before have you been able to haul your side-by-side vehicle without a trailer, until now. Haul your side-by-side on top, secure your gear in the bed underneath, and free up your hitch to be able to finally take along that camper, boat, or more off-road vehicles.

Finish Options: Rugged Black  Aluminum

PROTECT YOUR GEAR.

Peace of mind is knowing your gear is safe when you’re out riding or away from your truck while traveling to off-road destinations.

LEAVE THE TRAILER BEHIND.

With the DiamondBack SXS Carrier you can forget about the added expense of buying a trailer and keeping it registered, maintained, and stored.
