Q&A

WHAT CAN I USE TRIGUARD PLUS THROAT SPRAY FOR?

TriGuard Plus Throat Spray contains powerful ingredients, carefully blended into an extremely potent natural throat spray. It can be extremely helpful in topically treating throat infections.*

WHAT'S IN IT?

A powerful combination of **OLE-100 Complex** (olive leaf extract [alcohol-free, processed with low-heat], structured silver water [purified silver, purified water], and European Black Elderberry Fruit [*Sambucus nigra*] extract), noni (*Morinda citrifolia*) fruit extract, echinacea (*Echinacea angustifolia*) herb extract, oregano (*Origanum vulgare*) leaf extract, deglycyrrhizinated licorice (*Glycyrrhiza glabra*) extract (DGL), sweet basil (*Ocimum basilicum*) leaf extract, peppermint (*Mentha piperita*) leaf extract, stevia (*Stevia rebaudiana*) leaf extract and menthol.

OLE-100 Complex: A unique & proprietary blend of highly concentrated Olive Leaf Extract (alcohol-free, processed with low-heat), European Black Elderberry Extract and a very unique formula of Structured Silver Water (from 99.99% pure silver).

Noni Fruit: A common ingredient in various health tonics, preparations and supplements to promote general health and wellbeing.

Echinacea Herb: Indigenous to the Rocky Mountains in Western America, Echinacea plants provide immune support through the use of their leaves, flowers and roots. Echinacea was traditionally utilized as a herbal remedy by the Great plains Indian Tribes.

Oregano Leaf: Native to both Western Asia and the Mediterranean, Oregano is popular in Italian and Greek cuisine. A member of the mint family, it can offer nutritional support against invisible invaders like bacteria, parasites, fungi and more.*

Licorice (DGL): Found in the Mediterranean, parts of Russia, and in Asia, Licorice has traditionally been taken to provide immune support that helps combat sore throats, bronchitis, coughs, and infections.*

Sweet Basil Leaf: A popular ingredient in a myriad of traditional cooking styles, Sweet Basil is one of the types of Basil that is both effective at adding flavor, as well as having use as an immune support.*

Peppermint: Dubbed 'the world's oldest medicine', the use of Peppermint for a variety of ailments can be traced as far back as Ancient Egypt.

Menthol: A popular ingredient used all over the world, Menthol is a commonly used compound that has a pungent and refreshing aroma. It has been used consistently to help relieve minor throat irritation, and some believe it has mild anesthetic qualities.

HOW DO I USE TRIGUARD PLUS THROAT SPRAY?

Shake well, spray 3-4 times into the back of your throat, 1-4 times daily. Rinse off sprayer wipe clean and replace over cap after each use.

IS IT SAFE?

Absolutely it's safe so long as you follow the directions on the bottle or as directed by your physician.

HOW DOES THIS PRODUCT IMPACT THE ENVIRONMENT?

TriGuard Plus Throat Spray is environmentally safe with a low toxicity.

CAN I USE THIS IF I AM ON MEDICATION?

If you are taking any drugs, if you are pregnant, if you are lactating, if you have allergies or if you are contemplating a new diet or exercise program, you should always check with a physician. TriGuard Plus Throat Spray should not replace any medicines without you first consulting with a physician.

DO I HAVE TO WORRY ABOUT ALLERGIC REACTIONS?

If you have any known allergies or are susceptible to allergic reactions or are being treated by a doctor for allergies, do not use without first consulting with a physician. Any botanicals (plants) may cause allergic reactions.

CAN I USE THIS WITH MY USUAL VITAMINS?

Absolutely you can. You should always check with a physician if you are contemplating a new diet or exercise program.

CAN I USE THIS IF I AM GOING IN FOR SURGERY?

That is a good question! You should always check with a physician.

CAN I USE THIS IF I AM GOING THROUGH CHEMOTHERAPY?

That is a good question! You should always check with a physician.
