### Q&A

#### WHAT CAN I USE TRIGUARD PLUS FIRST AID SPRAY FOR?

TriGuard Plus First Aid Spray contains powerful ingredients, carefully blended into an extremely potent natural skin spray, it can be extremely helpful in treating topical skin related:

- Infections
- Bacteria / parasites / fungi
- Minor burns & bites
- Minor cuts, scrapes & bites
- Sunburns
- Razor burn (face & body)
- Skin related Yeast/Candida issues
- Jock itch

#### WHAT'S IN IT?

Purified water, **OLE-100 Complex** (olive leaf extract [alcohol-free, processed with low-heat], structured silver water [purified silver, purified water], and European black elderberry fruit [Sambucus nigra] extract), vegetable glycerin, allantoin, carbopol, glucamine, tea tree oil.

#### HOW DO I APPLY TRIGUARD PLUS FIRST AID SPRAY?

Spray directly on skin for most minor skin irritations, including cuts, rashes, burns, insect bites, diaper rash, razor burn and dry/cracked feet. Use as needed or as directed by a physician.

#### WHAT IS OLE-100 COMPLEX?

A unique & proprietary blend of highly concentrated Olive Leaf Extract (alcohol-free, processed with low-heat), European Black Elderberry Extract and a very unique formula of Structured Silver Water (from 99.99% pure silver). These ingredients are carefully blended into an extremely potent compound that has been highly effective for many individuals with challenging health concerns.

#### IS IT SAFE?

Absolutely it's safe. You can use it topically. Do not spray in eyes. If irritation persists, discontinue use and consult a physician.

#### HOW DOES THIS PRODUCT IMPACT THE ENVIRONMENT?

TriGuard Plus First Aid Spray is environmentally safe with a low toxicity.

#### CAN I USE THIS IF I AM ON MEDICATION?

If you are taking any drugs, if you are pregnant, if you are lactating, if you have allergies or if you are contemplating a new diet or exercise program, you should always check with a physician. TriGuard Plus First Aid Spray should not replace any medicines without you first consulting with a physician.

#### DO I HAVE TO WORRY ABOUT ALLERGIC REACTIONS?

If you have any known allergies or are susceptible to allergic reactions or are being treated by a doctor for allergies, do not use without first consulting with a physician. Any botanicals (plants) may cause allergic reactions.

#### CAN I USE THIS WITH MY USUAL VITAMINS?

Absolutely you can, though you should always check with a physician if you are contemplating a new diet or exercise program.

#### CAN I USE THIS IF I AM GOING IN FOR SURGERY?

That is a good question! You should always check with a physician.

#### CAN I USE THIS IF I AM GOING THROUGH CHEMOTHERAPY?

That is a good question! You should always check with a physician.

#### WHERE IS TRIGUARD PLUS FIRST AID SPRAY MADE?

TriGuard Plus First Aid Spray is made in the USA, under stringent conditions, where absolute safety protocols and standards are met. The lab is a GMP qualified lab. GMP represents the optimum standard for manufacturing.
