Q&A

WHAT CAN I USE TRIGUARD H₂O FOR?

TriGuard H₂O is a powerful antimicrobial compound that acts as nutritional support for individuals with challenging health concerns.* For example, it can be extremely helpful in treating:

- Infections
- Bacteria / parasites / fungi
- Microbes & Pathogens
- Yeast/Candida related issues

WHAT'S IN IT?

Purified water, vegetable glycerin, OLE-100 Complex (olive leaf extract [alcohol-free, processed with low-heat], structured silver water [purified silver, purified water], and European black elderberry fruit [*Sambucus nigra*] extract).

HOW DO I USE TRIGUARD H₂O?

As a dietary supplement, at first signs of depressed resistance, take 1-2 teaspoons, once or twice daily for two weeks. For Intensive Use: Take 1-2 teaspoons, 3-4 times daily or as directed by your physician.

WHAT IS OLE-100 COMPLEX?

A unique & proprietary blend of highly concentrated Olive Leaf Extract (alcohol-free, processed with low-heat), European Black Elderberry Extract and a very unique formula of Structured Silver Water (from 99.99% pure silver). These ingredients are carefully blended into an extremely potent compound that has been proven highly effective for many individuals with challenging health concerns.*

IS IT SAFE?

Absolutely it's safe. You can use it topically. Do not put in eyes. If irritation persists, discontinue use and consult a physician.

HOW DOES THIS PRODUCT IMPACT THE ENVIRONMENT?

TriGuard H₂O is environmentally safe with a low toxicity to man and animals.

CAN I TAKE THIS IF I AM ON MEDICATION?

If you are taking any drugs, if you are pregnant, if you are lactating, if you have allergies or if you are contemplating a new diet or exercise program, you should always check with a physician. TriGuard H₂O is a nutritional supplement and should not replace any medicines without you first consulting with a physician.

DO I HAVE TO WORRY ABOUT ALLERGIC REACTIONS?

If you have any known allergies or are susceptible to allergic reactions or are being treated by a doctor for allergies, do not use without first consulting with a physician. Any botanicals (plants) may cause allergic reactions.

CAN I TAKE THIS WITH MY USUAL VITAMINS?

Absolutely you can. TriGuard H₂O is a nutritional supplement. You should always check with a physician if you are contemplating a new diet or exercise program.

CAN I TAKE THIS IF I AM GOING IN FOR SURGERY?

That is a good question! You should always check with a physician.

CAN I USE THIS IF I AM GOING THROUGH CHEMOTHERAPY?

That is a good question! You should always check with a physician.

CAN I TAKE THIS AT ANY TIME?

Best results occur when taken at first signs of depressed resistance and continued consistently for about 10-14 days or as directed by a physician.

WHERE IS TRIGUARD H₂O MADE?

TriGuard H₂O is made in the USA, under stringent conditions, where absolute safety protocols and standards are met. The lab is a GMP qualified lab. GMP represents the optimum standard for manufacturing.
