WHAT'S IN IT?

TriGuard Plus liquid concentrate is a versatile, multipurpose formula, that contains vegetable glycerin, purified water and OLE-100 Complex (olive leaf extract [alcohol-free, processed with low-heat], structured silver water [purified silver, purified water], and European black elderberry fruit [*Sambucus nigra*] extract).

HOW DO I USE TRIGUARD PLUS?

As a dietary supplement, at first signs of depressed resistance, take 1 full dropper (approx. 30 drops) in a little water, once or twice daily for two weeks. For Intensive Use: Take 1 full dropper in a little water 3 times daily or as directed by your physician. Read accompanying brochure for other precautions and household uses.

WHAT IS OLE-100 COMPLEX?

A unique & proprietary blend of highly concentrated Olive Leaf Extract (alcohol-free, processed with low-heat), European Black Elderberry Extract and a very unique formula of Structured Silver Water (from 99.99% pure silver). These ingredients are carefully blended into an extremely potent compound that has been highly effective for many individuals with challenging health concerns.*

IS IT SAFE?

Absolutely it's safe. It is a nutrition supplement - not a drug! You can use it both internally and topically. Do not put in eyes. If irritation persists, discontinue use and consult a physician.

HOW DOES THIS PRODUCT IMPACT THE ENVIRONMENT?

TriGuard Plus liquid concentrate is environmentally safe with a low toxicity to man and animals.
