Q&A

WHAT CAN I USE TRIGUARD PLUS NASAL SPRAY FOR?

TriGuard Plus Nasal Spray contains powerful ingredients, carefully blended into an extremely potent natural nasal spray. It can be extremely helpful in topically treating nasal infections.*

WHAT'S IN IT?

Purified water, **OLE-100 Complex** (olive leaf extract [alcohol-free, processed with low-heat], structured silver water [purified silver, purified water], and European black elderberry fruit [*Sambucus nigra*] extract), vegetable glycerin, allantoin, carbopol, glucamine.

WHAT IS OLE-100 COMPLEX?

A unique & proprietary blend of highly concentrated Olive Leaf Extract (alcohol-free, processed with low-heat), European Black Elderberry Extract and a very unique formula of Structured Silver Water (from 99.99% pure silver). These ingredients are carefully blended into an extremely potent compound that has been highly effective for many individuals with challenging health concerns.

HOW DO I USE TRIGUARD PLUS NASAL SPRAY?

Use as needed or as directed by a physician. Head held upright, insert spray nozzle into nostril. Adults, depress pump completely 1-2 times. For children (5 years of age and older), depress pump completely 1 time. Sniff deeply. Repeat up to 3 times daily. Wipe nozzle clean after each use.

IS IT SAFE?

Absolutely it's safe so long as you follow the directions on the bottle or as directed by your physician. If irritation persists, discontinue use and consult a physician.

HOW DOES THIS PRODUCT IMPACT THE ENVIRONMENT?

TriGuard Plus Nasal Spray is environmentally safe with a low toxicity to man and animals.

CAN I USE THIS IF I AM ON MEDICATION?

If you are taking any drugs, if you are pregnant, if you are lactating, if you have allergies or if you are contemplating a new diet or exercise program, you should always check with a physician. TriGuard Plus Nasal Spray should not replace any medicines without you first consulting with a physician.

DO I HAVE TO WORRY ABOUT ALLERGIC REACTIONS?

If you have any known allergies or are susceptible to allergic reactions or are being treated by a doctor for allergies, do not use without first consulting with a physician. Any botanicals (plants) may cause allergic reactions.

CAN I USE THIS WITH MY USUAL VITAMINS?

Absolutely you can. You should always check with a physician if you are contemplating a new diet or exercise program.

CAN I USE THIS IF I AM GOING IN FOR SURGERY?

That is a good question! You should always check with a physician.

CAN I USE THIS IF I AM GOING THROUGH CHEMOTHERAPY?

That is a good question! You should always check with a physician.

WHERE IS TRIGUARD PLUS NASAL SPRAY MADE?

TriGuard Plus Nasal Spray is made in the USA, under stringent conditions, where absolute safety protocols and standards are met. The lab is a GMP qualified lab. GMP represents the optimum standard for manufacturing.

Ingredients: Purified water, **OLE-100 Complex** (olive leaf extract [alcohol-free, processed with low-heat], structured silver water [purified silver, purified water], and European black elderberry fruit [*Sambucus nigra*] extract), vegetable glycerin, carbopol, allantoin, glucamine.

Directions: Use as needed or as directed by a physician. Head held upright, insert spray nozzle into nostril. Adults, depress pump completely 1-2 times. For children (5 years of age and older), depress pump completely 1 time. Sniff deeply. Repeat up to 3 times daily. Wipe nozzle clean after each use.
