Organic CleanKelp

Premium Sea Plant Blend

Kelp and Seaplant Extract

Derived from seven species of sea plants. Marine algae (Kelp) is a natural source of what's needed for strong and vigorous plants.

Works great for lawns, gardens, and house plants plus compatible with hose-end sprayers.

Guidelines for use

Use from cutting to flush.
- Grow: 5 mL per gallon
- Bloom: 5-10 mL per gallon
- Foliar feed: 20-40 mL per gallon, 1-2 times weekly, for all stages of growth.

Apply only as directed.

For use with all plants!
