

It's Simple. Apply when you water.

Hint: To avoid overwatering, only water plants when soil is dry. Poke your finger 2-3 inches into the soil to check for moisture.

Living Soil

1. Shake

2-4 shakes
in each pot.
Apply before
watering.

Superfood

2. Water

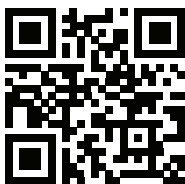

Add 2 pumps per
quart/liter of water.
Water when
soil is dry.

Canopy Mist

3. Mist

Lightly mist leaves
after each watering.
A gentle mist.
Less is more.
