# Liquid Humic Acid

**Organic Humic Acid  
Soil Replenisher  
100% Organic Extract**

**Liquid Humic Acid**

Bloom City Liquid Humic Acid is a water-soluble soil conditioner derived from organic humic acids. Our humic concentrate is readily available and does not require time to break down slowly. Builds and maintains your soil microbiology.

Compatible with hose-end sprayers for lawns!

**Guidelines for Use**

Lawn and Garden General Use:

- Add 1 oz per gallon of water, covers 500 square feet.
- Hose sprayer ratio: (1 : 128)

Pre-planting in spring:

- Apply 1 oz per gallon of water for every 500 square feet.
- Apply to soil twice approximately 2 weeks before planting.

For flower transition:

- Apply 1.5 oz per gallon of water for every 500 square feet when plants transition into flowering.

Apply only as directed.

For use with all plants!
