Wild Alaskan Salmon Fertilizer

Bloom City's Wild Alaskan Salmon fertilizer is made with sustainably harvested salmon that are gently processed to retain vital nutrients, making it a high quality fish fertilizer. Our Salmon protein is naturally rich in omega-3 fatty acids, and proteins that microorganisms in living soil thrive on.

The nastiest smelling fertilizer your plants will love. Great for all gardens!

Use Guide

Mix well prior to usage and apply to soil within 2 hours of mixing.
During vegetative stage:
- 1-2 oz (30-60 mL) per gallon
During flowering stage:
- 1 oz (30 mL) per gallon

Storage

Store between 55-75 °F in a cool, dark place. Keep away from children.
