Build Living Soil

Aged worm castings and an organic
carbohydrate brewing process make
this Compost Tea highly concentrated
and effective. Our brew is a cornerstone
to building living soil. Great for lawns,
potted plants, trees, fruits, and veggies.

Usage Directions

Feed every watering for entire lifecycle.
Compatible with other fertilizers.

Lawn and Garden General Use:

- 1-2 tsp per gallon (5-10 mL)
- Hose sprayer ratio (1 : 325)

As a Compost/Bokashi Starter:

- 5 ounces per gallon, pour or
spray on compost and mix
thoroughly to ensure even coating.

Apply only as directed.

Use Earthworm Tea Concentrate
for all stages of growth. For lawns,
gardens, and house plants--in both
soil and hydroponics.
