STANDARD PARTS

Are **A** + **E** Parts which are sold as a set. Optional extra **D** Parts are sold separately

The internal back wall of **A Parts** are designed to accommodate the head of an 8 or 9 gauge countersunk screw or bolt.

Important:
Use approved wall anchors when required.

E Parts screw into **A** or **D Parts**.

extra spacers (D Parts) are used to hold more panels and/or increase the standoff distance.

D Parts screw between **A** + **E Parts**.

For part sizes, panel thickness and weight capacities, visit www.nzazz.nz

SINGLE PANELS

Are secured between **A** + **E** Parts

monomounts hold panels between **A** + **E** Parts

1 Single panel

MULTIPLE LAYERS

Panels are secured between **A** + **D** Parts and **D** + **E** Parts

Using extra spacers (**D Parts**) give you more creative options including:

- multiple panel layers with different colours and textures
- offsetting some layers
- **D Parts** can also be used to increase the standoff distance

1 Front panel
2 Extra panel

SALES TOOLS

Are available, including the monomount Display Pack below

Display Pack Bag
