Care and Maintenance Instructions

PLEASE NOTE THE FOLLOWING INFORMATION TO MAINTAIN THE APPEARANCE OF YOUR GAZEBO

Our range of Aluminium / Steel products are designed to be lightweight and easy maintenance, all our Aluminium / Steel products are powder coated to obtain the desired colour and finish.

Certain elements such as suntan oils, salt spray and even car exhaust gases can eat away at the powder coating on Aluminium / Steel furniture. To ensure long life, clean your Aluminium / Steel furniture twice a month with a solution of mild detergent and warm water then rinse well.

Regular maintenance by using the following methods below will help prolong the life of your furniture:

- A gazebo is a seasonal item and not a permanent structure.
- Canopies should be removed when unattended to prevent damage from varying weather conditions.
- Please clean with mild soap and water. Ensure the item is fully dry before storing.

Caution

Always use on firm ground ensuring that all parts of the gazebo remain in contact with the ground
