Bottling - 256 cases on February 24, 2015

TA - 5.65 g/L

pH - 3.34

ABV - 14.2%

Harvest to bottle in 6 months, the 2014 Vogelzang is our first offering of Sauvignon Blanc. Hand-picked grapes were sorted upon arrival and gently whole-cluster pressed to settle overnight. The juice was then racked for fermentation in neutral French oak barriques. In oak a mere eight days, the wine was tank-aged, fined and then sterile-filtered prior to bottling.

A Cali-style Sauv, both clean and ripe with perfect weight, the wine reflects an optimal ripeness at harvest - classic Vogelzang Vineyard aromatics of mint, basil and sea salt leading to yellow peach, Tahiti lime and honeydew melon flavors in a seamless finish.
