

AMUSEMENT PARK & WATER PARK

ID SOLUTIONS PRODUCT GUIDE

Find the perfect wristband
or ID solution for your venue.

ELEVATE YOUR GUEST EXPERIENCE

Partner with PDC to secure admissions and enable convenience for a fun and memorable guest experience. You can count on our 65+ years of identification expertise and 20+ years of RFID installations to help you create a solution that meets your unique needs. Choose from a wide range of durable RFID and classic wristband and ID solutions with customization options that no other company can match.

We'll help you stand out from the crowd and leave a lasting impression on your guests and staff.

Applications & Benefits

- Identify guests, staff and vendors
- Cashless point-of-sale
- Control access to different areas
- Authorize equipment rentals
- Promote branding and sponsorships
- Streamline operations and security

EXPERIENCE AND SERVICE YOU CAN TRUST

For over two decades, PDC Smart® RFID Wristband Systems have been used by over 400 leading amusement parks and waterparks globally. Over 37 million PDC Smart® wristbands and credentials have provided unique and memorable guest experiences while delivering bottom-line benefits to venues and events.

Top Amusement and Water Parks Partner with PDC

"Guests don't have to carry anything on them, there's no need to worry about keys, wallets, or cash. When you go swimming, you can't put these valuables in your pocket, and you don't want to leave them behind at your chair. Everything's on the wrist! You can't get more convenient than that!"

– Bill Colavito, General Manager of Pocono Mountains Great Wolf Lodge

"Switching to RFID was easy with PDC's team of RFID experts. They helped us manage the project from start to finish and ensured us of a quality start to the program. Our guests truly appreciate the efficiencies and conveniences offered by the variety of RFID products here at the park."

– Bob Owens, Park Manager of Hyland Hills Water World

PDC SMART® WRISTBAND KIOSKS

Give Guests Easy Self-Service and Convenience

Streamline Operations | Reduce Overhead Costs

Redefine the guest experience with PDC Smart® Wristband Kiosks. Specially designed for amusement and water parks, with large guest capacities and daily visitors.

These trusted self-service wristband kiosks enable guests to purchase admissions, concessions and rental items quickly. Kiosks program, print and disperse RFID wristbands on the spot, which can be used for many applications, including:

- Access control
- Cashless point-of-sale
- Locker rentals

Each kiosk dispenses up to 30 transactions per hour, rendering **120 wristbands per hour** for a family of four

Due to increased ROI, each kiosk pays for itself in as little as 3-4 months

Customize kiosks with colorful bands and branded wraps

Applications and Benefits

Speeds up transactions, reducing lines and wait times

Helps reduce labor costs by eliminating the need for additional staff

Improves employee productivity

Contactless to support social distancing

User-friendly interface makes transactions fast and simple

Non-recurring one-time cost with fixed ROI

Seamless integration with park or resort management software

Indoor and outdoor models available

The PDC Smart® Wristband Kiosks were designed to be ultra-versatile for a variety of environments, both indoor and outdoor. This high-performance solution was built with a flexible component cavity to accommodate the necessary technology to deliver the ultimate guest experience.

PDC SMART® RFID WRISTBAND SOLUTIONS

As a trailblazer in RFID solutions, our team of RFID experts can make your dream a reality! Alongside a diverse partner network, we'll help you plan, implement and support any variety of applications that will deliver the ultimate guest experience, increase revenue and maximize productivity.

Applications and Benefits

- Contactless access control
- Cashless point-of-sale
- Keyless doors and lockers
- Season pass, VIP and loyalty programs
- Social media and data metrics
