

# PDC Smart® Satin Elite Wristbands

Where high-style meets high-security! PDC Smart® Satin Elite Wristbands feature ultra-soft, satin-like material with dual-sided, edge-to-edge full color printing making them the premium wristband for high-impact branding.

Further enhance your branding or differentiate between different levels of access with a custom designed woven wrap. Maximize security with an embedded RFID tag and your choice of high strength, one-way sliding plastic closure to prevent counterfeits and transfer.

## Wristband:

- **Material:** Smooth satin polyester.
- **Custom Printing:** Full-color, photo quality dye-sublimation printing inside/outside wristband surface.

## RFID Wrap:

- **Material:** Made of a special mix of nylon and cotton materials with enclosed RFID chip to reliably store and transfer data.
- **Custom Woven Graphic:** Choose up to 8 PMS thread colors per design.
- **Custom Serialization:** Up to 8-digit variable data, alpha numeric, sequential, or Tag UID laser engraving on back of the RFID wrap; supports guest registration or social media programs.

**Dimensions:** 360mm x 25mm

**Quantity:** 50 per pack. Minimum order 500 wristbands per design.

**Lead Time:** 3 weeks from artwork approval & payment terms. Lead time may vary pending RFID inlay availability.

## High Security Closure

High-strength, one-way sliding plastic closure includes 8 teeth to firmly grip the wristband into its secured position.

## High Security Slim Closure

High-strength, one-way sliding plastic closure features 8 teeth and an ultra-slim design for a tighter grip to secure the wristband in position.

## Color Closure Options:

Substitute "XX" for colored closure option:

WHITE 11	YELLOW 14	BLACK 20	GRAY 26	HOT PINK 27	AQUA 35	DAY GLOW GREEN 39	MANGO MELON 94
-------------	--------------	-------------	------------	----------------	------------	----------------------	-------------------

## Part Number and RFID Tag:

Part Number	RFID Inlay	ISO#	Closure
