

NEW! ScanBand® S
Print-On-Demand Thermal Wristbands

Don't Be Afraid of the Water!

NEW! ScanBand® S Thermal Wristbands

Advanced material produces a crisp, high-resolution bar code and data imprint that is resilient to water and fading. Get quick and accurate bar code scanning day after day!

Increase **Efficiency**

- Print photos, text, logos, liner and 2D bar codes on-demand
- Use bar codes to streamline access, ticketing, and point of sale applications
- Compatible for use with most thermal printers
- Easy-peel adhesive liner provides a quick one-size-fits-all application

Increase **Security**

- 18 bright color options help facilitate color coding by day, guest type, or access level
- Bar codes and color coding prevent counterfeits and internal theft and allows for multi-day use
- Strong adhesive closure with tamper cuts prevents transfer
- Resistant to water, general cleansers, antiseptic alcohol, and hand sanitizer
