

Customize and print your own wristbands on demand with your direct thermal printer. PDC's ThermalBand™ Bar Code Wristbands offer cashless point of sale and access control for leisure and entertainment venues.

- Streamlines operations with bar coding and cashless point of sale
- Helps prevent counterfeits and internal theft
- Print dates, bar codes, and other ticketing information on-demand
- Designed for compatibility with most popular direct thermal printers
- Strong adhesive closure with tamper cuts to help prevent transfer
- Wide selection of colors available to facilitate color coding
- Unbeatable value for short-term use and non-water applications (For waterproof applications, use PDC's Scanband® thermal wristbands)
- Ideal for amusement parks, festivals, museums, fairs, sporting events, night clubs, concerts, & more.

7080 THERMALBAND™
