Animal ID Bands

So simple, a dog *(with thumbs)* could do it.

Specially designed for animal shelter, kennel, and veterinary care facilities, PDC Animal ID collar and band solutions easily classify and identify animals of all sizes.

PDC products are available in a large selection of sizes, colors and materials to provide safe, secure, and accurate identification. Choose from color code, insert card and write-on styles to meet every application:

- Write animal’s name, sex, age, breed, owner’s name, medical record #, etc. on the ID bands or insert cards
- Color code males and females with different colored bands
- Indicate special dietary or medication needs
- Flag health conditions or diseases with special color ID bands or in writing
- Provide special care instructions
