## African Blackwood – Fully Combed & Beaded

Classic style blackwood projecting mounts, with beaded alloy ferrules, and alloy slides and ringcaps. Plus a plain alloy mouthpiece.

**Every McCallum set comes complete with:**  
*a 10 year, no quibble guarantee.*

ABO Tenor Drone

**McCallum Bagpipes are now supplied with McCallum alloy and threaded mounts.** The new alloy does not tarnish and looks more like silver, giving your pipes a top quality finish.

**Threaded Hemp Retainers – a hidden extra.** All our bagpipes are now fitted with threaded hemp retainers. This used to be a service provided for the top of the range models, but we feel that every player we cater for and every pipe we produce deserves that little something extra.
