

ABI DELUXE BAGPIPES

African Blackwood – Fully Combed & Beaded

Full projecting mounts with plain alloy plates recessed into the top surface, beaded alloy ferrules, and alloy slides and ringcaps. Plus a plain alloy mouthpiece.

Every McCallum set comes complete with:
a 10 year, no quibble guarantee.

McCallum Bagpipes are now supplied with McCallum alloy and threaded mounts. The new alloy does not tarnish and looks more like silver, giving your pipes a top quality finish.

Threaded Hemp Retainers – a hidden extra. All our bagpipes are now fitted with threaded hemp retainers. This used to be a service provided for the top of the range models, but we feel that every player we cater for and every pipe we produce deserves that little something extra.
