

## HairMax® Pioneer in Laser Hair Growth Announces Hair Restoration Expert, John Vincent Joins Company as a Consultant

HairMax is pleased to announce that John Vincent, a 35-year expert in hair restoration, has joined the company as a consultant.

**BOCA RATON, Fla. - July 15, 2020 - PRLog --**

Lexington International, LLC. (HairMax®) the pioneer and global Leader in laser technology for hair growth, announced today that Mr. John Vincent, a well-known and respected figure in the field of hair restoration has joined the company as a consultant. For the past 15 years, Mr. Vincent has worked exclusively in the field of trichology and low level laser therapy and has served as a VP at Medical Hair Restoration (now part of Bosely®).

For 10 years, John owned and operated a hair loss treatment center in Central California with a dermatologist partner. His first two well-known hair replacement studios in Florida became part of Medical Hair Restoration, unique at the time as it offered all legitimate hair loss treatment options. While with MHR, John forged relationships with doctors and clinic owners around the country. He has been an executive member of the American Hair Loss Council, where he was awarded Master Status, a contributing editor to the National Hair Authority®, the Hair Society® online news outlet and a presenter at the International Society of Hair Restoration® Symposiums and Transitions Group®. John has been interviewed numerous times during his career nationally, in print, on radio and television programs, including the Oprah Winfrey Show.

Mr. Vincent brings 35 years of experience and a proven record of facilitating long term business relationships with both consumers and industry luminaries. His strong winning attitude and personality are assets that will complement and enhance the ability of HairMax to meet the needs of our customers as we continue to provide the highest quality, innovative light based technologies and thinning hair therapy to the marketplace.

Most recently, he has written a "tell-all" book about hair loss options from his unique perspective in the industry, titled, Hair Loss Dossier: The Big Lie on the Causes, Cures, Treatments and Scams, exposing the perpetrators of The Big Lie about hair restoration and reveals the truth about the real answers to a common problem of hair loss.

"I'm excited to join the HairMax team and to continue to share my extensive experience about laser phototherapy for the treatment of hair loss," stated Mr. Vincent. Mr. Vincent also said: "I look forward to working with the company that pioneered this incredible technology for home use, and that operates with such a high level of ethics and a focus on value."

David Michaels, Managing Director of HairMax stated, "We are pleased to welcome John Vincent to our team as a distinguished consultant. In addition to introducing laser phototherapy for hair growth to thousands of patients, John enjoys a close personal relationship with many hair specialists, physicians, and clinicians internationally." Mr. Michaels continues, "Together we aim to expand the marketplace and educate the consumer."
